

ADC Private Macros

ADC regular nb conv  
verification

```
graph LR; A[ADC regular nb conv verification] --> B[ADC Private Macros]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "ADC Private Macros". The box on the right is gray with a black border and contains the text "ADC regular nb conv" on the top line and "verification" on the bottom line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship between the two components.
