

ADC Exported Constants

ADC external trigger  
enable for regular group

```
graph LR; A[ADC external trigger enable for regular group] --> B[ADC Exported Constants]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'ADC Exported Constants'. The box on the right is light gray with a black border and contains the text 'ADC external trigger enable for regular group'. A black arrow points from the right box to the left box, indicating a dependency or relationship between the two.
